Noah's Story

God is God • *We Respond*

Divine Dependence ...Digging Deeper into the Word

Read more of Noah's story of stepping out in faith in **Genesis 7:1 - 9:17**.

- Whether this story is familiar to you or not, is there something new that strikes you about it?

After coming out of the ark, Noah worshiped God by offering a sacrifice (Read **Genesis 8:20**).

- What place does worship have in your dependence on God?
- How is our congregational worship at Grace a response to who God is?

Read **Psalms 46**, a psalm that confesses faith in God in the midst of turbulent times.

- What does this Psalm tell you about God?
- How do the images of Psalm 46 connect with the events of Noah's story?

Read **Matthew 7:24-29**, where Jesus talks about hearing the word of God and responding.

- What role does the word of God have in your life right now?
- Is your divine dependence enough to weather a serious storm?

Continue to reflect and pray...

God of the waters and the dry land, reveal yourself to me in a special way. By your grace, give me the faith to respond to who you are, so that all of my life is in worship of you. Amen.
